

Equipment Leasing Tax Advantages

ACQUIRING EQUIPMENT YOU NEED IN 2010 IS A SOUND FINANCIAL STRATEGY

Section 179 Tax Deductions
Have Been Extended

Section 179 deductions have officially been extended under the Hiring Incentives to Restore Employment (HIRE) Act. It's important to note that the 50% bonus depreciation offered in 2009 has not been extended.

Section 179 Advantages

- Businesses that purchase less than \$800,000 in equipment and put it into service before December 31, 2010 can DEDUCT THE FULL PURCHASE amount up to \$250,000
- Most business equipment qualify: machinery, computers, software, office equipment and office furniture are eligible
- The program is specifically designed to help small and medium sized businesses lower the overall cost to acquire essential equipment in 2010
