**Delphi Display Systems, Inc.**  
**PROPRIETARY INFORMATION**

## **Recommended Cleaning Instructions for the Delphi Order Confirmation System.**

1. Use mild detergent soap and water *ONLY!*
2. With a soft soapy towel wipe display, follow with clean soft wet towel then wipe with clean dry soft towel
3. Follow same instructions for speaker post.

## **Recommended Services after Delphi Order Confirmation System has been installed.**

1. Due to the possibility of hard water spots/stains, it is recommended that sprinkler heads be repositioned as to not allow the water to spray directly on the system.
