

## **DELPHI SOFTWARE LICENSE AGREEMENT**

PLEASE READ THIS SOFTWARE LICENSE AGREEMENT CAREFULLY BEFORE DOWNLOADING OR USING THE SOFTWARE. BY CLICKING ON THE "ACCEPT" BUTTON, OPENING THE PACKAGE, DOWNLOADING THE PRODUCT, OR USING THE EQUIPMENT THAT CONTAINS THIS PRODUCT, YOU ARE CONSENTING TO BE BOUND BY THIS AGREEMENT. IF YOU DO NOT AGREE TO ALL OF THE TERMS OF THIS AGREEMENT, CLICK THE "DO NOT ACCEPT" BUTTON AND THE INSTALLATION PROCESS WILL NOT CONTINUE.

**Single User License Grant:** Delphi Display Systems, Inc. ("Delphi") grants to Customer ("Customer") a perpetual, non-exclusive, limited and nontransferable license to use the Delphi software ("Software") in object code form on a single central processing unit owned or leased by Customer or otherwise embedded in equipment provided by Delphi.

**Multiple-User License Grant:** Delphi Display Systems, Inc. ("Delphi") grants to Customer ("Customer") a perpetual, non-exclusive, limited and nontransferable license to use the Delphi software ("Software") in object code form: (i) installed in a single location on a hard disk or other storage device of computers owned or leased by Customer for which Customer has paid a license fee ("Permitted Number of Computers"); or (ii) provided the Software is configured for network use, installed on a single file server for use on a single local area network for either (but not both) of the following purposes: (a) permanent installation onto a hard disk or other storage device for up to the Permitted Number of Computers; or (b) use of the Software over such network, provided the number of computers connected to the server does not exceed the Permitted Number of Computers. Customer may only use the programs contained in the Software (i) for which Customer has paid a license fee (or in the case of an evaluation copy, those programs Customer is authorized to evaluate) and (ii) for which Customer has received a product activation code ("PAC"). Customer grants to Delphi or its independent accountants the right to examine its books, records and accounts during Customer's normal business hours to verify compliance with the above provisions. Upon notice from Delphi of its intent to perform an examination, Customer will make such records that are requested by Delphi, available within 5 business days. In the event such examination discloses that the Permitted Number of Computers has exceeded for any period under examination, Customer shall promptly pay to Delphi the appropriate licensee fee for the additional computers or users for that period of non-compliance. At Delphi's option, Delphi may terminate this license for failure to pay the required license fee. Such termination shall not relieve the Customer from obligation to pay for the period that was determined to be out of compliance with this agreement.

**Archival Copies of Software:** Customer may make one (1) archival copy of the Software provided Customer affixes to such copy all copyright, confidentiality, and proprietary notices that appear on the original.

EXCEPT AS EXPRESSLY AUTHORIZED ABOVE, CUSTOMER SHALL NOT: COPY, IN WHOLE OR IN PART, SOFTWARE OR DOCUMENTATION; MODIFY THE SOFTWARE; REVERSE COMPILE, REVERSE ENGINEER, OR REVERSE ASSEMBLE ALL OR ANY

PORTION OF THE SOFTWARE; OR RENT, LEASE, DISTRIBUTE, SELL, OR CREATE DERIVATIVE WORKS OF THE SOFTWARE.

Customer agrees that aspects of the licensed materials, including the specific design and structure of individual programs, constitute trade secrets and/or copyrighted material of Delphi. Customer agrees not to disclose, provide, or otherwise make available such trade secrets or copyrighted material in any form to any third party without the prior written consent of Delphi. Customer agrees to implement reasonable security measures to protect such trade secrets and copyrighted material. Title to Software and documentation shall remain solely with Delphi.

**License Fee:** In consideration for the grant of the license and the use of the Software, Customer agrees to pay Delphi the appropriate license fee commensurate with the software product(s) ordered.

**Payment:** Payment of the license fee shall be made upon delivery of the Software within thirty (30) days following invoice from Delphi. In the event any overdue amount owed by Customer is not paid following ten (10) days written notice from Delphi, then in addition to the amount due, Delphi may impose and Customer shall pay a late payment charge at the rate of one percent (1%) per month on any overdue amount.

**Taxes:** In addition to all other amounts due hereunder, Customer shall also pay to Delphi, or reimburse Delphi as appropriate, all amounts due for sales, use, excise taxes or other taxes on the Software which are measured directly by payments made by Customer to Delphi.

**Warranty of Title:** Delphi hereby represents and warrants to Customer that Delphi is the owner of the Software or otherwise has the right to grant to Customer the rights set forth in this Agreement. In the event any breach or threatened breach of the foregoing representation and warranty, Customer's sole remedy shall be to require Delphi to either: i) procure, at Delphi's expense, the right to use the Software, ii) replace the Software or any part thereof that is in breach and replace it with Software of comparable functionality that does not cause any breach, or iii) refund to Customer the full amount of the license fee upon the return of the Software and all copies thereof to Delphi.

**Warranty of Functionality:** For a period of twelve (12) months following delivery of the Software to Customer (the "Warranty Period"), Delphi warrants that the Software shall perform in all material respects according to Delphi's specifications concerning the Software when used with the appropriate computer equipment. In the event of any breach or alleged breach of this warranty, Customer shall promptly notify Delphi and return the Software to Delphi at Customer's expense. Customer's sole remedy shall be that Delphi shall correct the Software so that it operates according to the warranty.

This warranty does not apply if the software (a) has been altered, except by Delphi, (b) has not been installed, operated, repaired, or maintained in accordance with instructions supplied by Delphi, (c) has been subjected to abnormal physical or electrical stress, misuse, negligence, or accident, or (d) is used in ultra hazardous activities.

In the event of any defect in the media upon which the Software is provided arising within ninety (90) days of the date of shipment from Delphi of the Software, upon return to Delphi of the Software upon the original media, Delphi shall provide Customer a new copy of the Software.

**DISCLAIMER.** EXCEPT AS SPECIFIED IN THIS WARRANTY, ALL EXPRESS OR IMPLIED CONDITIONS, REPRESENTATIONS, AND WARRANTIES INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT OR ARISING FROM A COURSE OF DEALING, USAGE, OR TRADE PRACTICE, ARE HEREBY EXCLUDED TO THE EXTENT ALLOWED BY APPLICABLE LAW.

IN NO EVENT WILL DELPHI OR ITS SUPPLIERS BE LIABLE FOR ANY LOST REVENUE, PROFIT, OR DATA, OR FOR SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL, OR PUNITIVE DAMAGES, HOWEVER CAUSED AND REGARDLESS OF THE THEORY OF LIABILITY ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE EVEN IF DELPHI OR ITS SUPPLIERS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL DELPHI'S OR ITS SUPPLIERS' LIABILITY TO CUSTOMER, WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, EXCEED THE PRICE PAID BY CUSTOMER. THE FOREGOING LIMITATIONS SHALL APPLY EVEN IF THE ABOVE-STATED WARRANTY FAILS OF ITS ESSENTIAL PURPOSE.

The above warranty DOES NOT apply to any beta software, any software made available for testing or demonstration purposes, any temporary software modules or any software for which Delphi does not receive a license fee. All such software products are provided AS IS without any warranty whatsoever.

**Standard Software Maintenance:** During the Warranty Period, Delphi shall provide to Customer technical support any new, corrected or enhanced version of the Software as created by Delphi at no cost to Customer. Such enhancement shall include all modifications to the Software which increase the speed, efficiency or ease of use of the Software, or add additional capabilities or functionality to the Software, but shall not include any substantially new or rewritten version of the Software.

**Optional Software Maintenance:** After expiration of the Warranty Period, Customer may continue to receive technical support any new, corrected or enhanced version of the Software as created by Delphi for successive twelve (12) month periods. The charge for such optional maintenance support shall be Delphi's regular list price for maintenance and support for the Software as published from time to time by Delphi. Customer shall notify Delphi in writing if it desires to receive optional maintenance. If Customer fails to purchase optional software maintenance and later elects to receive it, Delphi reserves the right to charge Customer its maintenance fees for the period of the lapse in maintenance. Delphi may elect to discontinue maintenance at any time upon notice to Customer, and refund any of the unearned maintenance fees.

**Termination:** This License is effective until terminated. Customer may terminate this License at any time by notifying Delphi and destroying all copies of Software including any documentation. This License will terminate immediately without notice from Delphi if Customer fails to comply with any provision of this License. Upon termination, Customer must destroy all copies of Software.

**Governing Law:** Software, including technical data, is subject to U.S. export control laws, including the U.S. Export Administration Act and its associated regulations, and may be subject to export or import regulations in other countries. Customer agrees to comply strictly with all such

regulations and acknowledges that it has the responsibility to obtain licenses to export, re-export, or import Software.

This License shall be governed by and construed in accordance with the laws of the State of California, Orange County, United States of America, as if performed wholly within the state and without giving effect to the principles of conflict of law. If any portion herein is found to be void or unenforceable, the remaining provisions of this License shall remain in full force and effect. This License constitutes the entire License between the parties with respect to the use of the Software.
