Delphi Display Systems Hires Controller

Costa Mesa, CA – August 21, 2009 – Delphi Display Systems announced today the hiring of Doug Gordon as Controller. Doug will be responsible for all financial and accounting activities within the company.

“We are very excited to be adding Doug to our executive management team”, said Ken Neeld, Delphi Display System’s President & CEO. “His broad base of experience in manufacturing, transportation, engineering and financial services companies gives him a unique set of competencies that will help Delphi achieve its short and long term growth objectives.”

During his 25-year career, Doug has held controller positions with several privately held companies including Wespac Energy Group, Pacific Asset Funding and SCFuels. Doug is a CPA and earned his undergraduate in Accounting from California Lutheran College and his MBA from Pepperdine University.

About Delphi Display Systems

Headquartered in Costa Mesa, California, Delphi Display Systems designs and manufactures a wide variety of outdoor digital signage products serving the quick service restaurant (QSR), petroleum retail, and other market verticals. Applications include drive-thru order confirmation, digital menu boards, gas-pump top video displays, outdoor information kiosks and more. For more information on the company or the products they offer visit their Web site at www.DelphiDisplay.com or call (800) 456-0060.
